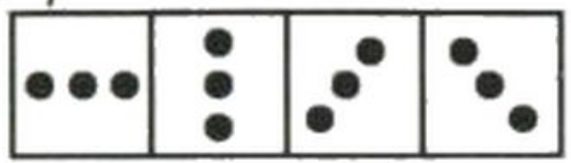
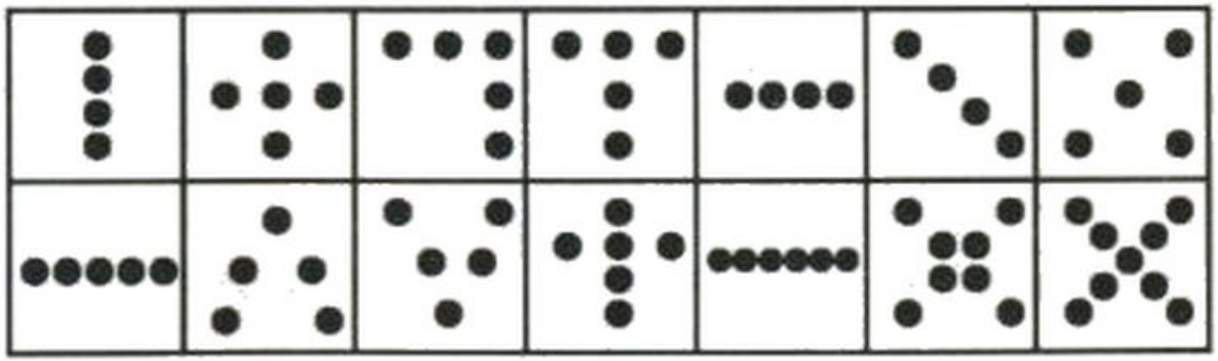
# IV. HOW TO PLAY THE GAME

1.Block Type :

2.Basically there are 4 patterns as below to delete blocks as a line or cross ( at least 3 blocks ).



3.You can assign objects among the following 14 patterns by computer in addition to above 4 patterns :



# V. SPECIAL OBJECTS

Goblin

When delete at least 2 lines, the goblin will appear in indicated position. You will obtain scores by pressing the goblin's head with the falling block as same as its color as fast as possible, otherwise it will disappear in few seconds.

When you complete 16 lines, the bomb will help you to delete 3 x 4 blocks.

Bomb

When you complete 32 lines, Rainbow funnel will help you to delete one line of blocks.

Rainbow Funnel

When complete 64 lines, the crown will fall down. You can control falling direction, the crown will help to delete all same type/color blocks as the block it touch at the same time.

Crown

# COMPLIANCE WITH FCC REGULATIONS

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in accordance with the manufacturer's instructions, may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna.
- Relocate the NES® with respect to the receiver.
- Move the NES® away from the receiver.
- Plug the NES® into a different outlet so that NES® and receiver are on different circuits.

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions.

The user may find the following booklet prepared by the Federal Communications Commission helpful: HOW TO IDENTIFY AND RESOLVE RADIO-TV INTERFERENCE PROBLEMS. This booklet is available from the U.S. Government Printing Office, Washington, D.C. 20402. Stock N. 004-000-00345-4.

Note: NES® is the abbreviation for Nintendo Entertainment System®
